

Taking Cool Further

Founded in 1985, Amerikooler is more than just a manufacturer of walk-in coolers and freezers. We take cool further! A family-owned operation, we operate out of our state-of-the-art, 200,000-sq.-ft. facility in Miami, FL, USA and are powered by a fully integrated network which allows us to serve not only all 50 states but also 30+ countries around the world! At Amerikooler we provide unmatched service with a cool that lasts well into the future.

Amerikooler Cold Storage products feature:

- AK-XPS4™ Extruded Foam insulation
- 50-year R-value warranty
- Hydrophobic characteristics and void free insulation
- Panel of exceptional structural strength and durability
- Acrylume finish corrosion resistant metal skins
- Packaging that protects
